Dedication

During our four years in high school, we have been aided by numerous teachers. But one particular teacher has affected the lives of most of us in one way or another. We, the Class of 1983, have chosen to acknowledge a woman, who, for the past four years, has coached us, taught us, and listened to us. Through her encouragement, enthusiasm, and desire, we have achieved success. We will always have very cherished memories of her. It is with much appreciation that we dedicate the 1983 *Cynosure* to Mrs. Donna Prince.

2. Mrs. Prince displays her love for animals.

1982 Homecoming Court Reigns

On October 6, 1982, the most memorable event of the school year took place — Homecoming 1982. This year's theme was "Under the Big Top" and several short skits were performed under the direction of ringmaster, Kim Weber. Lions, Shari Stewart and Tracy Rinsland, were led through their tricks by lion tamer, Megan Savidge. Debbie Ikehara portrayed a fat lady; Mary Shultz and

Lisa Anderson were the tall man, and Marcia Strackhouse told fortunes. Clowns and Jugglers entertained the audience.

The court was introduced by Tony Leberto and then Kay Soper was named the 1982 Homecoming Queen. Jayme Hendricks, last year's queen, crowned Kay following the announcement.

Other members of the court includ-

ed seniors Kellie Lendh, Chele Moll, Shelly Ritter, and Cathy Herrold. The Junior representatives were Michele Glassic, and Cindy Bowersox. Donna App and Colleen Daly were chosen to represent the sophomore class. Freshmen members of the court were Yvonne Conrad and Lori Weider.

Small Musical Cast Provides Cartoon Entertainment

Under the direction of Fred Hooper and Robert Whitmoyer, "You're a Good Man, Charlie Brown" carried on the tradition of outstanding musicals at Selinsgrove Area High School. Cheerful music, colorful costumes, and creative scenery attracted an audience of young and old.

Although the cast was considerably smaller than in past productions,

each cast member worked hard and dedicated much time in learning lines and music to make the musical a success.

"You're a Good Man, Charlie Brown" was a series of musical and humorous skits with an all-time favorite character — Charlie Brown, portrayed by Paul Withrow. Jim Muller starred as Snoopy, that well-

known beagle. Lucy, played by Lisa Anderson, spent her time listening to Shroeder's, Todd Miller, music. Linus, Eric Deibler, and Peppermint Patti, Josie Flanders, completed the talented cast. The play was an "off the wall comedy" about old Horatio Tucker, sponsor of TV's most popular daytime soap opera, who has received an anonymous note telling him that a clue to his killer is in the following day's episode. As a result of this threat, Tucker invites the cast to his home to act out the episode. The acts to follow revealed characters slipping in and out of their television roles as they avoided becoming the next victims of the murderer.

A group of Weddingbells traveled to the new Washington territory to marry lumberjacks who have been starved for affection for three years. Arrangements are made by Asa Mercer, a young lawyer who wished to bring civilization to the woods of

The gym was brightly decorated with remembrances of Christmases gone by. The student body and court enjoyed the skit, "The Nutcracker," which involved characters of the actual play, including toy soldiers, mice, marionettes and numerous other toys, plus members of the Drosselmeyer family. Prominent on the international scene during the 1982-1983 school year was the Europeans' protest of placing short-range nuclear missiles in their territory, the presence of American, Italian, and French peace keeping troops in Lebanon, and the death of the Soviet leader Leonid Brezhnev. The world was stunned by Britain's and Argentina's war over the Falkland Islands. The Polish government finally released Lech Walesa, the leader of Solidarity, from prison and terminated martial law. Cosmos 1402, the Soviet's nuclear powered spy satellite, crashed back to earth.

Prominent on the national scene during the 1982-1983 school year was the independent truckers' strike. Tylenol poisonings resulted in several deaths and led to several

"copy-cat" incidents including the tampering of eyedrops. The Vietnam War Memorial was erected. With the popularity of video game tax, many governmental units proposed a video game tax. President Reagan proposed lowering the minimum wage for teenagers, and unemployment reached its highest level since the Great Depression. For the first time in history, an artificial heart was implanted in a human. The nation mourned the death of Alabama's Coach Paul "Bear" Bryant, the winningest coach in the history of football. The twenty year old Centralia minefire caused the formation of cracks and crevasses in a road running near the town. Many non-striking independent truckers termed the Pennsylvania Turnpike the "combat zone" because of the numerous shootings and

brick throwing incidents which occurred on the Turnpike. As a result, the national guard was put on active alert.

On the local scene the fabridam once again deflated, and there was talk of replacing it with a different structure. The Local Taxpayers Association vigorously protested the renovations of the high school. Life is sweet because of the
 friends we have made
 And the things which in common
 we share;
 We want to live on, not because
 of ourselves,
 But because of the ones who
 would care.
 It's living and doing for
 somebody else
 On that all of life's splendor
 depends,
 And the joy of it all, when we
 count it all up,
 Is found in the making of friends.

The Dying Christian to His Soul

ALEXANDER POPE

Vital spark of heavenly flame!
Quit, oh quit this mortal frame:
Trembling, hoping, lingering, flying,
Oh the pain, the bliss of dying!
Cease, fond Nature, cease thy strife,
And let me languish into life.

Hark! they whisper; Angels say,
Sister Spirit, come away.

What is this absorbs me quite?
Steals my senses, shuts my sight,
Drowns my spirits, draws my breath?
Tell me, my Soul, can this be Death?

The world recedes; it disappears!
Heav'n opens on my eyes! my ears
With sounds seraphic ring:
Lend, lend your wings! I mount! I fly!
O Grave! where is thy Victory?
O Death! where is thy sting?

Growing together . . . high school years mean so many ways to grow. Competition, bus trips, teams, tie breakers, injuries, defeats, victories . . . So many ways to grow means so many memories to carry through the years. Memories grow and with them, all the fun and tears, smiles, and sorrow are kept to remember the growth.

Tradition of Pride Continues

Determination Carries Team

Aided by the consistency of junior Paul Kretzer, senior Darvin Dutry, and the strength of the linemen, the squad gave evidence of amazing achievement. Sporting victories over Lewisburg and Milton early in the season gave the Seals additional determination to win the upcoming games. Mark Krebs, who had a superb year for the team, proved to be an asset to the squad's victories. Although the Seals had a losing season, they played well against the teams they were defeated by.

Girls Exceed Goals

The 1982 Selinsgrove Field Hockey team exceeded the goals they set for themselves. The dedication the girls possessed and their overall positive attitude created a team worthy of the title of District AAA champions.

These traits also helped the girls to advance to regional playoffs. Under the supervision of Coach Donna Prince the Seals ended the season with a 9-3-4 record. Coach Prince felt that the closeness among the girls contributed to their success.

The 1982 season games were considered to be faster and more dangerous because of changes in the rules. Unfortunately many injuries resulted because of these changes; however, the girls never lost their determination to seek excellence.

Friendship Aids Success

The 1982 field hockey team's sportsmanship sometimes worked against them when their opponents took advantage of their fair play. Throughout the season the girls developed aggressive play and thus overcame this handicap.

Coach Prince didn't feel that a few members contributed to the team's success. As far as she was concerned, the entire group of seniors were an asset to the team. This group of 18 seniors was exceptional; they were dedicated and always set a good example for the younger girls.

Harries Endure

Coached by Mr. John Tini, both the boys' and girls' cross country teams showed their strength and endurance this year. Mile after mile, the runners pushed themselves through the hot and humid July practices, and continued to run hard during the fall. Though they didn't go undefeated, the hard work paid off, for each member on the team acquired self-discipline and confidence. The boys' team finished 6-5, while the girls went 3-5.

The boys' team had four seniors, Augie Bucheit, Glenn Hane, Mike Moyer, and Kerry Wagner, to guide the other team members. Coach Tini felt that Alex Varner, Dan Kuruna, Mike Moyer, Ken Smith, and Kerry Wagner ran well throughout the season.

The girls' team had only three seniors: Jamie Bertinet, Martha Culp, and Teri Reichenbach. Running well for the girls were Martha Culp, Tammy Masters, Marcia Strackhouse, Lauren McLernan, and Jean Smith. The girls' team membership increased by four since last year and will probably continue to grow as more girls take interest in running.

Fall Cheerleaders Win Awards

Under the leadership of Co-Captains Lisa Anderson and Becky Reed, the fall varsity cheerleading squad had a very successful season. Due to all the long summer practices, the ten member squad received the "Spirit Firecracker" and numerous ribbons for their never-ending spirit and enthusiasm while at Stroudsburg Sports Camp. In addition to these awards, the girls placed second in the Susquehanna Valley Mall Cheerleaders Competition.

Girls' Effort Pays Off

Under the direction of David McCarty, the girls' tennis team found the hard practice and effort to pay off. Coach McCarty commented that each class was represented by an outstanding player. Karen Herrold, Autumn Swisher, Betty Witkop, and Nancy Kauffman contributed greatly to the team's success. In addition, Autumn won the District IV Singles Championship and went to State competition.

Since last year, two new teams, Jersey Shore and Williamsport were added to the Seals' schedule. One match that won't be forgotten was with Danville in which the girls played for three hours. With the strong underclassmen, Coach McCarty feels that the team has a good chance of going undefeated next year.

Golf Team Rebuilds

The 1982 Selinsgrove Area High School Golf Team underwent a year of rebuilding. Under the experienced coaching of Chester Rowe, the Seals faced tough opponents in Danville in preseason competition, and in Loyalsock and Lewisburg in regular season matches.

Returning lettermen to the Selinsgrove linkmen were sophomores, Jon and Chris Bailey, Andy Potter, and Don Wyand; junior, Greg Russell, and senior, Bruce Pirie. Greg Russell was considered to be the team's most valuable player.

As a reconstruction year, the Selinsgrove team developed character as well as gaining needed experience. Coach Rowe has an optimistic outlook for next year's golf team.

Hard Practices Produce Successful Season

The Seals Varsity Wrestling squad is under the experienced supervision of Coach Dick Smoker who has returned for his twenty-sixth season and Bill Bechtel who has recently signed on as the assistant coach.

Despite the absence of a 98 pound wrestler at the beginning of the season and the lack of participation from the junior high wrestlers who did not go out for the squad this year, the team felt they achieved a very successful season. Practices this year started earlier in the season and the intensity of the practices picked up greatly.

Seals Provide Strong Opposition

Two matches where the Selinsgrove wrestlers showed that determination and hard work pay off were at the Danville and Skikellamy matches. At these two matches the Seals offered opposition that their opponents had not expected.

Seals Shoot Exceptional Season

The Boy's Varsity Basketball team played to the best of their abilities and achieved a memorable and outstanding season. In his second year as coach, Mr. Jim Beddall felt the season was an all around very exciting and rewarding. The Seals took on many tough opponents but managed to come out the victors in many thrilling and high pressure games. Experienced Team Plays Well

Coach Carl Seitz and the Selinsgrove Girl's Varsity Basketball Team led by Senior co-captains Denise Benner and Diane Gingrich shot through the season with true determination and spirit. Losing only two seniors, the team has matured greatly in their level of concentration and defensive skills.

Bowling Team Strikes Forth

Under the coaching of James Rutkowski, the 1983 Selinsgrove Area High School Bowling Team worked hard to produce results. The 1982 Girls' Varsity earned the S.V.L. Championship, which helped set long-term goals for this year's team. However, the loss of four of the six starters proved to be a major setback for the team, and some reconstruction had to be done. Kerry Wagner and Diane Eisely could always be depended on to bowl a good game, and the great improvement and determination of members like Greg Kline, Pat Bickhart and Bill Rowe were an inspiration to the rest of the team.

Don Harnum and Autumn Swisher were first and John Norton and Barbra Witkop were second in district play.

Seals Endure Challenging Opposition

Using the knowledge gained from Coach Bill Scott and new assistant Coach Jim Messner, the 1982 Selinsgrove Baseball Team displayed great effort. The boys played to their best abilities to achieve their 5-13 record. The versatility of Glenn Urey, the pitching of Bob Hoover, the fielding of Curt Pope and Jack Confer, and the second base playing of Vince Anselmo were all assets to the team in accomplishing many close final scores. The rally with Line Mountain and the challenging game against Shikellany in the rain increased spectator interest and Coach Messner feels that baseball is on its way back in popularity at Selinsgrove Area High School. The returning members bring promises for a successful 1983 season.

Assisting the lesser experienced members of the squad were pitcher, Greg Russell, catcher and outstanding hitter, Trent Dreese, second baseman, Mark Hackenburg, first baseman, Scott Williams, and outfielders, Todd Benner and Allen Berge. The J.V.'s also had an exciting game versus Shikellamy, and the boys played well in most of their games. Although they did not have a winning record, the team had an enjoyable season.

Girls' Softball Shows Progress

The 1982 softball season showed an increase in interest and improved attitude. The girls worked together and gave evidence of great determination. Kathy Schlingmann provided power in hitting and the added defense of Michelle Shaffer, Denise Benner, and Tana Weaver guided the Seals to win the softball classic, advance to districts, and close the season with a winning record of 12-7.

In his second year as head coach, Mr. Thompson feels the strength from the team came when the girls were informed of the qualifications for districts. Domination was necessary in five of six games, and with increased support as the season went on and improved thinking from team members, the Sealettes triumphed in all six games.

Balanced Team Wins Classic

Although the losses to Shikellamy and Shamokin were especially devastating the Seals had an overall rewarding and enjoyable season. The team was particularly well balanced and each girl possessed unique qualities to add to the team's ability on the playing field.

Mr. Thompson expects that with a hard-working pitcher, next year's team will also be successful.

Band Displays School Spirit and Interest

The Selinsgrove Area High School Band, under the direction of Mr. Francis Pineno, not only contributes to school spirit by playing at pep rallies and football games, but also participates in community events. For example, this year's band marched in the Halloween parade and played carols at the annual White Christmas Tree Lighting Ceremony. This group of dedicated and talented students also plays in the Memorial Day Parade and in the Commencement Ceremony. A trip to Florida is planned for June of 1983, where the band will play in the Mickey Mouse Parade at Disney world and perform in concert at Sea World.

The band undertook many money-making projects, the greatest of which was an 8,000 foot banana split. In addition to generating over \$10,000 for new uniforms, the effort was worthy of entry in the Guinness Book of World Records. This Record ice cream concoction brought national attention to the band and Selinsgrove.

Organization Recognizes Academic Achievement

The National Honor Society is a group of students ranging from tenth, eleventh, and twelfth grade who are selected for their character, leadership qualities, academic achievement, and school activities. Each year the National Honor Society has a spring doughnut sale in order to raise money for the scholarships the society gives to selected senior members. Also, the group provides tutoring for students that need help in specific subject areas.

This year the society teamed up with the Student Council to collect money from the student body for a high school student in Sunbury who was afflicted with bone cancer. They raised \$600.

Also, a new tradition has started with induction. This year the induction was done by candlelight and each of the five candles represented a different quality each new member and existing members had to display in order to be considered as a member of the National Honor Society.

FFA Provides Learning Experience

The Future Farmers of America is a group of about 80 students both boys and girls whose goals are to develop leadership, citizenship and cooperation. Under the direction of Mr. Roger Reichenbach, Mr. Chris Weller and Mr. Earl Ferry, the FFA is involved in many projects, trips and competitions. During the fall this group of students made and sold their own apple butter and apple cider. Citrus fruits and poinsettias were sold during the Christmas season and green house plants were sold in the spring. Each year the group of FFA members involved in production and mechanics traveled to Harrisburg to view the farm show while the students involved in horticulture visited a flower show. Competitions, which included students from all the schools in the Snyder, Union, and Northumberland counties, were held. This year's competitions included land judging, forestry, parliamentary competition, floral design, land scaping, tractor driving, public speaking, and agricultural mechanics.

Club Undertakes Community Service Project

Under the leadership of Mrs. Julie Hatzel, the Future Business Leaders of America kept themselves very busy this year. Consisting of 44 business students from tenth, eleventh, and twelfth grade, the FBLA took part in community service projects and recreational activities. At Christmas, they sponsored a Christmas Seal tree at the mall to raise money for the Central Pennsylvania Lung and Health Service Association. Annually, the members compete in the Regional Spring Contest, held this year at Line Mountain. Contests are held in typing, accounting, shorthand, business math, office procedures, and there is also a Mr. and Miss FBLA contest. Anyone who places first, second, and third advances to state competition. For recreation, they have a hayride, a Christmas and skating party, and a year end banquet honoring the seniors.

Varsity "S" Club Acknowledges Student Athletes

The Varsity "S" club is an organization formed to acknowledge student athletes who excel in one or more sports at the Selinsgrove Area High School. Varsity "S" status is achieved by earning two JV letters or one Varsity letter in the sports participated in. Coach Conn advises the Girls Varsity "S" club, and the Boys Varsity "S" club is advised by Coach Scott. Members have the choice to purchase a Varsity jacket, and a main function of the Girls Varsity "S" is to raise money to purchase these jackets. However, the primary reason this club exists is to honor and recognize the outstanding athletes at S.A.H.S., and to promote athletics, school spirit, and sportsmanship throughout the school.

Freshmen Get Over Initial Timidness

Although the freshmen were new to the high school atmosphere, they quickly got over their initial timidity, and eagerly involved themselves in athletic teams, clubs, and organizations. They went to their first high school dances, their first pep rallies, and by the end of the year, were asserting themselves as members of the student body.

Faculty Offer Discipline and Examples

Many of the high school faculty spend countless hours with students listening and advising. They help to set goals and to evaluate emotions, to ease tensions and to assess values.

They present discipline in many forms: individual competition, practice schedules, study habits, organized writing, long term assignments, and deadlines. They try to set examples for others to follow.

Growing together . . . High School years mean so many ways to grow. Experience, letters, explanations, excused from classes, telephone calls, rejections, checks . . . So many ways to grow mean so many memories to carry through theyears. Memories grow and with them, all the fun and tears, smiles and sorrow are kept to remember the growth.

ULTIMATELY, YOU'LL
CHOOSE TRETORN.

1. M. Stauffer and C. Specht take a break from decorating to pose for the photographer.

Friendships and Memories

These friendships and memories will remain everlasting: kings, queens, courts, and assemblies; actors, actresses, plays, and musicals; dances, dinners, tuxedos, and gowns; victories, defeats, ties; teams, games, and champions; special friends, classmates, and companions; advisors, leaders, and coaches; entertainment, interests, and fun. These friendships and memories will be part of our yesterdays.

1. C. Weaver and C. Doak mix together ingredients for their cherry cheese cake.
2. G. Hane and S. Lyons await the morning bell.
3. K. Moffatt and C. Mowry take time from decorating downtown to share a few laughs.
4. K. Weller and R. Kantz carefully measure the length of a piece of wood during shop class.

Memories Grow

These friendships and memories will be part of our tomorrows. As we reach for new stars, search for greater knowledge, and look for different answers, these treasures help us to find that within us which can reach and search and look, that within us which creates new goals and finds new dreams.

Our growth together is recorded so that we may be reminded that memories grow and with them, all the fun and tears, smiles and sorrow are kept to remember the growth.

1. A typical scene at SAHS, the guys lined up along the wall by the boys' bathroom.
2. S. Ritter carefully follows recipe while preparing filling for a dessert in foods class.
3. T. Hickman and J. Glover ham it up for the photographer.
4. D. Ikehara dressed as a marionette for her role in the White Christmas program.

The blossom that flowered as day gone by
has reached its full bloom but shall not
die.

For the seed of the flower will ever be
to grow until eternity.

The petals will wilt and eventually fall,
taken by the wind to rid of all.

The memory, though, shall still remain
as the seed of the blossom holds the
frame.

Just like us, the flower of life, we shall
always
cherish the memories that we beheld in
our blossoms
as we grew through the years.

Kay Soper

1. Seniors D. Eisley, J. Cohick, C. Foor, and J. Cumberland work together to help decorate for White Christmas in downtown Selinsgrove.
